Yes! I am interested in helping THE MANTON AVENUE PROJECT continue its fun and fabulous work!

I am enclosing a check for:

- \$10, the cost of the healthy snacks and juice or milk for ten children for two classroom sessions**
- \$25, the cost of classroom supplies for one programming cycle**
- \$50, the amount spent on the foamcore used to make props for a show**
- \$100, the costume costs for a production**
- \$200, which would cover the expenses (including an out-of-town rehearsal retreat) of one child's participation in MAP's summer "Dialogue" programming**
- I would like to help in what ever way is needed and am sending MAP \$ _____**

Please remember that literally every dollar counts and will be put to excellent use to help us help our amazing MAP Kids!
