Angie: Sabrina don't you remember the day you and I went bike riding and you fell on accident and you didn't cry you were calm about it and brave?

Sabrina: Yup I remember that day. That day was a really, really fun day.

Angie: I'm so happy that that memory was a part of our life and it was really, really fun that day.

Sabrina: I agree with you.

Angie: Yea that's why I always tell you so we never forget our dreams or memories. We can always have them.

Sabrina: Let's order some pizza. I feel kind of hungry.

Angie: Yes I'm craving some pizza as well.

(They order some pizza. They ate their pizza.)

(Soon at the park. They have ice cream)

Angie: This is really delicious.

## Scene 2

Setting: At the treehouse

Time: 10:30 in the morning

At Rise: They are at the treehouse. They unpack their things. They are at the coffee table talking.

Angie: I had this dream last night that it was about me and you walking and talking and we sat on a bench and then a bottle of coke was chasing us home and we ran and ran home and then we locked our door and went right to bed.

Sabrina: I had that same dream too. That is crazy! We had the same dream. I was crying in the dream cause I thought it was weird that a coca cola bottle would be chasing us and I felt really, really scared cause I never felt a dream like that.

Angie: And I said don't cry everything will be ok it's way far behind.

Sabrina: And then we got home and locked the door and ran upstairs and brushed our teeth and got right into bed. I feel kind of excited and happy and I feel scared and nervous that the dream happened. It was like a type of scary dream.

Angie: It is kind of scary that me and you had the same dream.

Sabrina: It was probably because we drank all that coca cola last night.

Angie: We should have maybe a sleepover at the clubhouse today.

Sabrina: Sure I'll go get my stuff.

Angie: I'll go get my things as well.

## Scene 3

Setting: The clubhouse

Time: 9:30 at night

At rise: Sleeping: We are seeing Sabrina's dream

(The dream follows and should be acted out)

Sabrina is at a parking lot that is near a grocery store. In the parking lot we can see a car that's electrical. Her finger goes up and she closes her eyes and she swipes her finger side to side and the car goes to the side she swipes her finger to. She remembers the car wasn't like that before she saw it. She did the same thing so she knew she had powers.

She wakes up and goes to get a glass of water.

Sabrina: Back to bed I go. Darn I can't get that dream back. Darn I'm really mad cause I wanted to see the rest of the dream. I'm sad cause I feel guilty that I don't want to tell Angie because I'm scared she will never be my friend again cause in my dream I have powers and she doesn't.

Angie: Let's bake them at the same time to see which one sizzles faster.

Sabrina OK! Let's get the syrup ready

Angie: I'll go get the milk as well.

(They start cooking and all of a sudden Angie is moving the toaster by using her laser eyes)

Sabrina: OH MY GOD!!! I had this dream that I had super powers at the parking lot of a grocery store and I was moving a car with my finger and you were jealous and mad at me cause I had powers and you didn't.

Angie: WAIT!! I just moved the toaster with my laser eyes.

(They stare at each other - surprised)

(Sabrina picks up her finger and points at the electric wipe warmer and moves it with her finger)

Angie and Sabrina: (Slowly) Oh My God!
