(10 min later).

Tiko

I'm outside. What's the emergency?

Agent Banana

I'm sorry but I don't want to be friends anymore.

(To audience- close to cam)

I don't want to be friends with Tiko anymore because is always working and never has any breaks. He also has way more money cuz he's always working at that restaurant and I need money!

Tiko's also a fish and my favorite food is fish, everytime I see him I want to eat him more and more. I'll stop being his friend so I don't eat him.

Tiko

I understand because your favorite food is fish you don't want to eat me.

Agent Banana

Sike! I'm actually Recon! Bye bye! (Agent Banana zaps Tiko with lightning and Tiko passes out)
(Tiko wakes up)

Tiko

Where am I? It looks like some sort of dungeon, am I in a cell? Why are there guards everywhere?

(The real agent banana appears)

The real agent banana
Hey Tiko I'm here to save you

Tiko

How do I know you're the real agent banana?

TRAB

Because I know your birthday, February 4th 2017.

Tiko

How did you find me?

TRAB

I put a tracker on you at the restaurant cuz we're friends and I have to know where you are.

Tiko

Oh, okay so how exactly are you going to save me?

TRAB

I'm gonna super punch the wall and then we run up the staircase, got it?

Tiko

Yeah!

(Agent banana breaks the wall and they run up the staircase)

Scene 2

Setting: the dungeon.

At rise; they're going to Tiko's work.

T

Now that we're out, explain.

AGENT BANANA

First, i found you because there was a chip in your brain.

T

Wait, what??

AGENT BANANA

Yea Sorry.

T

Let's go to my work.

(They go to Tiko's work.)

AGENT BANANA

Let's get some fish sticks. (They do).

Tiko

Look it, the people that don't like us
(agent banana looks at the people that don't like them)

Tiko

I'm gonna make some bucks

AGENT BANANA

Ok, but can we split them?

(TPTDLT appear)

Hey loser

AB

Leave me alone

Scene 3

(Back at the dungeon)

Recon (DAN IN DIFF COSTUME)

Let's see how Tiko's doing. What, he escaped? Guards go find Tiko, or you are fired!

(Back at the restaurant)

Guard (PUPPETS)

Boss, we found him!

AB

No you didn't, not until you get through me.

(AB uses his boogie gadget to make the guard dance, but more guards come and they get captured and put into a cell)

Tiko

I know how to get out. There are keys in the other cell, so there must be keys here.

AB

Look, one of the guards has the key. I'll just grab it then we can get out.

(AB takes the keys from the guard and unlocks the cell)

Tiko

Now what about the guards? Oh look, some sleeping noodles.

(Tiko uses the noodles on the guards and they fall asleep.)

Agent Banana

We go south to get out, I know that cause I got out before.

(They see a car and drive to Texas).

Scene 3

Agent Banana

Now we can buy the mansion and have a party!

Tiko

After the party we have to go to bed at 4 o'clock.

(they have the party, then go to bed)

Scene 4
(When they wake up)

Tiko

Who's gonna make breakfast?

AB

I'll make bacon egg and cheese.

Tiko

After breakfast let's go outside and play with tumbleweeds.

(They finish their breakfast and go outside)

AB

Now, let's go ride bikes to the park.

(they ride their bikes to the park)

AB

Whoever runs around the playground five times is not a rotten egg.

(Tiko runs around the playground first)

AB

Wait, I want to take a break. Let's go to the store and buy some gatorade.

(They go to the store. When they enter, Agent Banana wakes up)

AB
