

VACATION GONE WRONG

Setting: Faraway Island

Scene 1. 7:50am

At rise, Jeremy and Stephen wake up.

Stephen (**SLEEP**)

Wake up, wake up, wake up!

Jeremy

Ah! Where are we?

Stephen

I think that the cruise ship crashed.

Jeremy

Are we the only people alive?

Stephen

I think so.

Jeremy

Our vacation is ruined. How are we going to get off of this island?

Stephen

Maybe we should build a boat. That way we can still sail to El Salvador and finish our vacation.

Jeremy

I don't know, brother. I don't know much about building boats and neither do you. What if it breaks and we drown?

Stephen

You won't drown. I'm the best swimmer around. You're safe with me. Let's just try it.

Jeremy

Ok. Well, we should get some food before we start building. I'm hungry.

Stephen

Me too. I'll try to catch some shrimp and crab. Can you find some firewood and boat materials?

Jeremy

Sure. I'll run a lap around the island and see what I find.

Stephen

Sounds like a plan.let do it.

(They both leave.)

Scene 2. 12:05pm

At rise, Stephen is building the boat. Jeremy is cooking food over the open fire.

Jeremy

I found this coconut tree, filled with huge coconuts. Do you want some?

[Jeremy hands Stephen the coconut with his tail]

Stephen

Yes! I'm so thirsty. How's the shrimp and crab coming?

Jeremy

Almost finished. How about you with the boat?

Stephen

Just finished the floor. All we need are some paddles.

Jeremy

I can't believe this is all working out. Soon, we'll be in El Salvador, living our vacation dreams. I can't wait to check into our hotel suite and take a nice, long warm shower. Then jump into the California king bed and sleep until dinner time. We'll have a seafood feast at the fancy 5 star restaurant. I can't wait to see our family and friends and tell them the story about the cruise ship, about the island. And, of course, we have to go to the water park. We have to!

Stephen

I can't wait to just get home to Guatemala or finish this vacation. Anything beats being on this island. Is the food done yet?

Jeremy

Yup. What do you want, crab or shrimp?

Stephen

I'll take shrimp, please.

Jeremy

(Handing Stephen the shrimp)

Here you go. This is all the food we have on the island. Just to be safe, I'll do another lap to see what's out.

Stephen
Why don't I go with you?

Jeremy
You don't need to. Anyways, you'll slow me down.

Stephen
Fine. Just be careful. I don't want to lose my only brother.

TURN CAMERA OFF switch to night

(Jeremy leaves. Stephen continues to build the boat. But after a while, he begins to look around for Jeremy and finds his tracks. He follows it. He finds Jeremy eating.)

Stephen
What are you doing?

Jeremy
What are you doing here?

Stephen
I was getting worried when you didn't come back. So, I came to check on you. I followed your footprints in the sand. Also I wanted to tell you that the boat is finished and Are you eating something?

Jeremy
No.

Stephen
Why didn't you tell me?

Jeremy
Look, I'm sorry. I just thought that you would take it away, and it's my favorite food.

Stephen
It is okay, but you should've told me. I was hungry too.

Jeremy
It's getting late. Let's get back to camp. We need sleep to leave the island

Stephen

Ok but where did you get the food?

Jeremy
from the cruise ship

Stephen
maybe there is more food at the shore. Do you think that you can take a lap by the shore for food in the morning before we go?

Jeremy
Sure!

Scene 3. (morning TIME) switch to beach

Stephen

[Stephen and Jeremy go get the rest]

[Stephen and Jeremy bring back 7 coconuts and 5 fish]

Stephen

Jeremy let's start cooking the fish

Jeremy

Stephen

I guess so
